Searching for what's true and right
And so we sing our praises to thee
To thee O Kennedy High

Your greatness through the dim
And the bright
And so we sing our praise to thee
To thee O Kennedy High
And so we sing our praise to thee
To thee O Kennedy High

It's Crying Time Again . . .

Confusion was the scene as 1,865 scared sophomores, jubilant juniors and suave seniors registered at JFK's second open enrollment, held September 5th and 6th in the girls' gym. Having received class information prior to the "big days," students arrived at school with their hoped-for schedules. Club and committee sign-ups were encouraged in the gym, and a minimum class day was held afterward.

Both cheers and jeers were heard as students either "got all their classes," or were forced to change their schedules because of conflicting classes and/or overcrowding.

Vice-Principal, Robert Doyle, reported that the biggest problem of open enrollment

. . . Fall Open Enrollment

was that "a larger number of students showed up than the 1,747 expected." Therefore, classes "closed early due to a lack of teachers and the school's inability to accommodate all of the students." Also, he remarked, students were not properly oriented or prepared for the relatively new procedure.

The open enrollment was not considered a failure, however. Only 900 program changes were necessary, as compared to the previous average of 1,400 when scheduling was decided by computer. The problems encountered were taken into consideration when planning for future enrollments.

Okies Stomp On!

John F. Kennedy held its first annual Halloween Okie Stomp October 26, sponsored by the junior class. Publicity for the event was held during lunch periods with a real-live demonstration of square dancing.

A professional square dancer entertained the real thing, and over sixty okies stomped out lo-side's for three hours in our cafeteria. Prizes for the most original country clothes were given - two authentic Merle Haggard records, a replica of a Buck Owens guitar, and a mini "moon-shine" jug.

Homecoming Spirit Shines Through

The Kickoff of Homecoming '72 created a stir which will remain in the minds of many for years to come. Enthusiastically defying the soggy weather, the Cougars enjoyed a spectacular Spirit week (October 2 through October 6) prior to the crucial football game against Sacramento High School. Monday, Homecoming Kickoff Day, set the pace for the wildly fun and frantic four days which were to follow. Seniors, sophomores and juniors clashed on Tuesday, Class Spirit Day, as buttons, stickers, balloons and slogans diffused throughout the campus. Extra bike racks had to be set up to accommodate the bicycles ridden by the many participants in Wednesday's Ecology Day. Thursday saw rolled-over bobby sox, knee-length skirts, red lipstick and perky ponytails as girls came dressed as teenyboppers (1955 style). Over 40 costumed students strutted across the stage in the Miss Spirit of '72 Pageant, with Anne Clarice Pace taking first place. School Spirit Day, held Friday, capped the week's events with an hour-long pep rally. The Varsity-staffed contest concluded with seventeen crated seniors emerging victorious. Al Lirasin ate his way to victory in the pre-eating competition with a record time of 1:20. Litterbugging made a revival as ten persons (including Mr. Doyle and Mrs. Martin) danced to the strains of "Soldiers Be Goodies." Keith Young and Cheryl Cassim, both seniors, twirled, honed, and jumped to first place. Students proved to be real bubble-gummers in more than one bubble-blowing contests spurred on by the 50's atmosphere. School spirit was boosted by Green and Gold assemblies held in the gym fifth period.

Taking advantage of the soggy conditions Friday night, the Sacramento Dragons splashed the Cougars 2-0. Showers greeted spectators at the game in Hughes Stadium, but nothing could dampen the spirit! The rain came down, and so did the Homecoming floats that were so carefully constructed by the Sophomore, Junior and Senior classes. The muddy track prevented the pre-planned parade around the stadium, but fans were entertained by members of the JFH Cougar Marching Band when, clad in assorted rain gear, performed a novel half-time show on the field. The sprinkling ceased long enough for Student Body President Ken Plawey to crown senior Denise Staton as 1972 Homecoming Queen. Despite the rain and disappointing loss to the Dragons, JFH enjoyed a successful Homecoming!

Kennedy's Winter

"Dreaming of a White Christmas" came true for JFK students as the campus was cloaked in an inch (?) of snow at Christmas time. Students' hopes for no school due to "Mother Nature" were shattered, but snowball fights and backside sliding "dampened" their disappointment. The Yuletide season was highlighted by the annual Christmas assembly and "Mistletoe Magic," a semi-formal dance.

Whispers in the Wind

Kennedy's Sixth Annual Senior Ball, "Whispers in the Wind," was a night that will long be remembered. It began as a wet, rainy night as couples made their way up the elevators. As the doors opened onto the mall, you were immediately drawn into the garden-like atmosphere of the Downtown Mall. Geometric chandeliers, banners, and wall decorations, draped in blue and silver, accented the beauty of the mall. Blue lights filtered down on the couples as they danced to the good sounds of Sand. The evening was highlighted as Susana Cano was crowned Senior Ball Queen. The dancing continued into the wee hours of the night. When it was all over, couples bid farewell to an evening of dancing, friends, and memories that will last a lifetime.

B.S.U. Presents The Ultimate Black Experience

Dr. Veronn Walker, MD, talks about Sickle Cell Anemia.

February 11 through 17 designated a cultural adventure as JFK's Black Students' Union celebrated National Black History Week.

Students were encouraged to experience "Black awareness through art displays, demonstrations, and lectures on topics ranging from African poetry to Sickle Cell Anemia.

The talents of all B.S.U. members were combined in an assembly Friday, which featured singing, dancing, and a fashion show. Soul Pride provided the music for a dance, "Soulful Togetherness," held that night.

Faculty Flunks Students

Kennedy students were treated to a night of fun and tumbles as the students attempted to defeat the faculty in a game of basketball. The strong faculty team, sporting a 4-1 win record over the years, met a tough challenge by the younger students. In between the creaking of old bones, shouts of "We want Mr. Mayer!", and head-on collisions, the faculty managed to upset the students 67-69. This was accomplished only after the game went into double overtime. The event ended with a jubilant but tired group of teachers and the students vowing that next year will be a different story.

In his second year as Kennedy's sophomore head coach, Mr. Jerry Lee led his Cougars to an undefeated season. Coach Lee came back from last year's disappointing season to win the Metro League title with his team. The Cougars embarrassed the entire league by shutting out every team in it, a feat never before accomplished in the Metro League. With the outstanding play of Kevin Matlock and Mike Otto, the Cougars scored a total of 284 points for the season while allowing only 42. Not what you would expect from a team that was so far from seeing these outstanding players back to play on the varsity team next year to help bring Kennedy its first varsity football title.

If you think you are beaten, you are
If you think you dare not, you don't
If you'd like to win but you think you can't,
it's almost a cinch you won't;

The JFK girls' Gymnastics team thinks they can, so they do! People dare to believe the impossible, the Kennedy gymnasts dedicate themselves to it. The team, led by the leagues champion open intermediate, Cynthia West, champion school intermediate Toby Turner, the top beginners in the area Lori Koyasako, Loretta Wu, and Barbara Hoover, along with the other Cougar Gymnasts, have made Kennedy the number one school in the league once more. Practice 5 days a week, two hours a day, from October to June, and two coaches, (Miss Hodgson turns her coaching abilities to gymnastics as soon as swim season is over) along with some help from Tang and Screaming Yellow Zonkers, (the teams' secret weapon), keep Kennedy a step ahead of the rest. Gymnastics is Forever: to take the place of graduating veterans there are some new gymnasts who have already done great things: Pam DeLettre, Lynnis Woods, Monica Roberts and Joni Black. The girls love an audience, come visit, you'll find them in the gym dodging volleyballs, basketballs, and in between they're perfect, but always working. Support an indoor sport, Date a Gymnast!

The JFK girls '72 swim team proved to be a courageous one with a 6 win - 2 loss record. The team suffered the only two losses against Luther Burbank, and gained six wins over Hiram Johnson, Sacramento, and St. Francis, defeating each team twice. Nine out of the eleven records were broken. The 200 yd. Medley Relay consisting of Cathy Reiner, Jenny Bowles, Joanne Benjamin, and Karen Silvermaster swam to a new school record of 2:10.2. The 200 yd. Freestyle Relay of Joanne Benjamin, Peggy Marsh, Karen Silvermaster and Cathy Reiner also broke a relay record of 1:55.5. The teams only senior, Cathy Reiner, was selected as most valuable swimmer. Cathy swam on both relay teams and broke her own 100 yd. free-style record in 1:01.5. She also broke the league record in the 50 yd. backstroke with a 32.2 time, and clashed to a third individual record in the 100 yd. Individual medley with a time of 1:11.9. An Experience . . .

A Great Effort!

The 1972 girls volleyball team began their season with a sportsday at Sacramento High. Throughout the season, the team played one practice game and seven league games. Being a predominantly new team, they had many new experiences, enjoyed the fun and shared a few disappointments.

Carolyn Jones, a student from California State University of Sacramento, assisted Mrs. Thomas with the team as a fieldwork project.

Scorekeepers were Janice Canady, Kim White, Dolores Hall, and Pia Brown.

Players not pictured were: Martine Hubin, Michele Neal, Mary Garcia, Gwen Koughlen, and Kathy Khan.

What you are looking at here, your first of many, what you may, twenty years from now, be reading through, is the result of one long year's work, breathing, and talking, of a yearbook. We, the editors, reflections '73, will never forget all of the late, hard-working work that the staff did to make this book possible - through rain, snow, and dark nights, we were here and like a fire, we will never forget... A bunch of scatter-room editors, 0-1, 11, frantically developing last-minute pictures for our ever-tight deadline, ... yearly so many times, I gotta have a verbal every body... "Camera" 1/4 hour out of the supposedly locked yearbook room one soggy, foggy Saturday morning while we waited for Mr. Clemons to

finish getting his hair cut so he could open the door for us, only to find that we just hadn't jiggled the stubborn doorknob enough, and that it had been unlocked the whole time! (Meanwhile, Dave W. and Craig had a great time trying to pick the lock with assorted popsicle sticks, hairpins, and pencils, while the rest of us huddled together and devoured an entire bag of potato chips and a 15 oz. box of Nilla Vanillas), ... commuting to Kee Coleman studios all summer in Cathy's clunky '55 Chevy, and only stalling an average of three times per trip, ... trying to work on "Super Bowl Sunday," a not-too-easy feat, when half of us rooted for the Dolphins, and the rest of us were staunch Redskins fans, ... skipping school one day and heading for 'Frisco on an "educational field trip" to Fisherman's Wharf, Lombard Street, and a fancy (and expensive) dinner out, ... One year - it sounds long, but time seemed to whiz by faster than a Phantom Jet. And although we are leaving, we are leaving a "little something" behind. We hope that you will treasure these "Reflections" as much as we have treasured compiling them for you, and that their meaning will bring back many happy memories.

Anne Meets California

Anne with the Curry Family.

I came to California because California is the most liberal state of them all and because of the nice weather. I got a little disappointed though; the summer was very nice but the winter got a little colder than I had expected.

A lot of things here in California are different from what we expect when we as Danes think of California. I have had a wonderful time and I must say you live in a "great" state.

The school form here in America is very different from the one in Europe, but I do find everybody attending Kennedy to be very nice people. I just love to go to the football and basketball games. I admire the spirit that everybody presents at these games. It is really an experience to go. I like all the club activities as well. I find it very nice that the American teenagers get together after school still occupied with something in connection with school. I really think it makes school much more useful. You don't just think of it as work but also as a place where you get together and do things you really like to do.

This year has given me an experience I wouldn't do without. All of you have made the year more worthwhile for me and I thank you very much. The Cougars are great - I will never forget you.

All my love,
Anne Rasmussen

One of the dreams of a majority of the Belgian kids is to come to America. Well, I am here and I agree with them. I just love everything and everybody is so nice to me. The Molises have opened their house and also their hearts to me. I have new friends too. They have shown me the country and shared the greatest times I have had here. Thanks also to all of you who have always been so friendly and helpful to me.

I think that when I return to Belgium I will tell everybody that their dream is really nice in reality too.

Kennedy Welcomes Katrine

I remember the first time I told my friends that I was going to the United States. They were really surprised and didn't understand why, but I was looking forward to it. Now, I'm glad I did it.

I remember how nervous I was in the beginning, but because of a very nice family and nice people around, everything went on just fine. I know I have learned a lot, and it has been a great experience; something never to forget.

I'm going back to my country now, to finish school. It will take me two more years, but after that I want and hope that I will be able to come back.

Around the World With A.F.S.

The American Field Service is an unusual international partnership of volunteers. Members raise money to send a fellow student abroad for a year. This year, a student from the University of Maryland, Susan Palmer, was selected as Kennedy School exchange student. A student also played a role in this. He was a member of the school year. During the year there were many other students and participants who exchanged with Kennedy students. In this way, AFS does its part to promote world peace and understanding.

Susan Enjoys Austria

Servus Cougars!

It seems like only yesterday that I received a telegram saying that I would be leaving for Austria in two weeks. It was something I'll never forget.

My home in Austria for eight weeks was a dairy farm in the little town of Saalfelden. I had three brothers and two sisters. I learned to milk cows and make tea using homemade berry juice and leaves from their tea bushes. Every Saturday night my brothers would take my sister and me dancing where we'd sing and drink Austrian Schnoptz. During the summer, I climbed the second highest mountain of Austria. It took three days, climbing in snow, with ropes tied to each other!

It was hard saying good-bye to everyone, but we still write. I only wish all of you could participate in such a worthwhile program.

Eek! What's that bug doing on my shoulder?

The Mexican-American Youth Association Club of JFK has been very busy this year. They had two very profitable sales that paid off debts owed from 1989. They also sold candy and had a turkey raffle from which the proceeds were used to purchase Mexican-American books for the library in memory of Hugo Gaytan, a former JFK student killed in Vietnam.

Avanti Arrives!

For the first time at JFK, Italian was offered by the Language Dept. A club was formed by the members of the class and was named the Avanti Club. The club had a fulfilling year with various fund-raising events. Among them was a candy cane sale from which the profits were donated to an orphanage in Sicily.

Ooh-la-la!: Ze French Club

The French Club, under the guidance of President Karla Martin, made money through several successful bake sales. The members made a generous gesture by sending their money to an orphanage in Italy. For a change of culture, the French Club ate dinner at Español, a Spanish restaurant, which was enjoyed by all. A trip to Monterey was also included among their activities.

Kennedy's Art Club

Chess Checks in

Chess is a game where one must apply one's own wits and strategy to "check-mate" his opponent's king. Several pieces each, with different ways of moving about the board, makes the game challenging and fun. To improve and enjoy the game of chess is the primary purpose of the club. The membership that has doubled in size over previous years made it necessary to purchase more chess sets. As a result, there was more participation in tournaments against other high schools including a tournament among its club members.

I didn't know they said things like that over the radio!

The Electronics Club is aimed at providing students with the opportunity to develop their knowledge in the fascinating field of electronics. The club, now in its second year, has many and various activities, ranging from field trips and guest speakers to playing hide-and-go-seek using two-way radio. It also owns and operates an amateur radio station, licensed as WA6AWU, which is located in room E-6. The club is open to all students, whether or not interested in electronics.

Math Club

Adds Up

The Math Club is designed for students who enjoy mathematics. It's a club where students with an interest in math can meet twice a month and discuss such things as buying books for the Math Dept., proving theorems, and going out to dinner. Mr. Cook is the sponsor.

Well, you see it's this tiny little box and it clicks ...

The Photography Club grew out of students at Kennedy High being interested in photography and looking for an advisor. It was organized this year, and the major part of the first semester was spent in gathering darkroom equipment and other supplies. Mr. Paul Erickson let the club use the print shop's darkroom.

The members planned a weekend excursion for the spring to take pictures of people and nature in a nearby recreational area.

The club was open to any student who was interested in photography and wanted to learn more about it. They shared their knowledge and learned through self-experimentation with photography.

You took pictures of what?

Oh, I feel fine ... I could take over the world the way I feel now.

Spiritettes Speak Out

The Spiritettes is a group of highly spirited girls. They gave a Christmas show at an orphanage and also organized a Kennedy Christmas Carolers group. They helped the Ecology Club sell candy for its treasury.

Theatre Arts Act Up

The Theatre Arts Club was formed to interest and attract students to see and participate in live theatre. It was born as a direct result of their efforts and concern. Activities included field trips locally and to San Francisco. Funds were raised through the sale of stationery and refreshments at the performances given by the drama department.

"GAL Is My Thing"

The Girl's Athletic League strives to maintain an interest in athletics. The league is composed of members who are athletes as well as those interested in helping further girl's athletics. The club has bought team warm-ups for the swim team, equipment for the gymnastics team, and financed away meets and games. G.A.L. sells 10¢ candy bars to raise money for the majority of their needs.

February was chosen as the month for the challenge volleyball game between the girls and teachers. This is only one of the fun activities they sponsor.

Each spring, the league hosts a girls sports banquet at which the awards for each sport are given.

A "Love Story"

What can you say about a man who gives of his time and talent to make JFK's music department the "Best in the West?" That he is bossy, but brilliant; that he is sarcastic, but sympathetic; that he is illustrious, but industrious?

What can you say about Kennedy High School's own "Music Man?" That he is everyone's adopted "Uncle Nicky?" That he can "Check Your Worms" with a bit of sage advice? That he can jitterbug to beat the band?

What can you say to Mr. Nicholas Angiulo, our favorite of favorites, our "Renaissance Man" of the campus, except for

"Thank you!"
and "WE LOVES YA, MR. A!"

Our Band Is Great!

June, 1972, marked the JFK Cougar Marching Band's reign in the spotlight as it took the Sweepstakes Trophy at the Portland Rose Festival Parade, held in Portland, Oregon. To finance the trip, members peddled car wash and pizza tickets and candy. The widely acclaimed band accepted an invitation to participate in El Cajon, California's annual Mother Goose Parade in November. Band members enjoyed a side trip to Disneyland at that time. Sacramento's own Camellia Bowl, held at Hughes Stadium, in December, saw the JFK band march at halftime festivities. JFK's band has got what it takes to be the "Best in the West."

Here we come!

Juniors Have the Class

The Junior '92 saw an original and dollar-priced Junior class. Mistake Magic and Kennedy's first-ever One Stop were not the only items of the class of '92. Junior power was also displayed at Homecoming while their best was on display. The Junior class included sales, movie showings at Caroline Wenzel Elementary, and the selling of cowbells to ambitious rooters at games. This fall semester proved to Kennedy that "Juniors Have The Class."

Juniors "Boogie" Through the Spring

The class of '74 had a busy and exciting Spring. With the eager and enthusiastic turnout, they got a lot done. The semester started off with many money-raising functions - more movies for elementary children and a "boogie" button sale. Back by popular demand, the juniors also held Kennedy's second-ever Cokie Stomp, which was a huge success. The high point of the semester that made everything worthwhile was their Junior Prom. In short, the "Precious and Few" moments in the Spring were enjoyed by all who participated.

The Class of '75 Comes Alive

PRESIDENT
Marian Gaston

The lively Sophomores proved themselves to be fun and had this fall at Kennedy. They raised money through bake sales, class button sales, and a Tootsie Roll Pop sale. With their new-found wealth, the Sophomores presented their Sophomore Hop, "When You Get Right Down to It," which was enjoyed by the student body. All in all, the fall semester was a successful one for the Sophomores.

Sacramento's Finest Planned Community Development

Home of Beautiful Lake Greenhaven Shores

Congratulations J.F.K. Class of '73

A dream comes true when you own a home in Greenhaven. Country living with all the conveniences. Parks, safety for your children with overpasses and underpasses running throughout the development, parks maintained by the city, schools, Cabana Club and churches. And to preserve the natured beauty of Greenhaven, all utilities have been placed underground.

For Lake Greenhaven Shores lot owners: you can sail from your own private dock, fish, or lie on your own sandy beach and just enjoy the beauty of the water and the palm trees. You can well imagine being in the South Seas.

Greenhaven has to be the best. It won the coveted National Award for the best planned community in the United States.

Is a small checking account welcome at a big bank?

It certainly is, if the big bank is Crocker Bank. If you need only a few checks each month, ask about our Special Checking Account; if you expect to write quite a few checks, a regular checking account may be better for you. Let us help you decide when you come in.

You can also arrange for automatic deductions from your checking account to a Crocker Savings Account... an easy way to save.

Please drop in soon. When you do, let us tell you about the many other ways we can be helpful.

*"Don't let it be forgot
That once there was a spot
For one brief shining momen,
that was known
As Camelot . . ."*

SCHOOL HYMN

On we march through paths of wisdom
Searching for what's true and right
And so we sing our praises to thee
To thee O Kennedy High

We've seen your glory
And we know
Your greatness through the dim
And the bright
And so we sing our praise to thee
To thee O Kennedy High
And so we sing our praise to thee
To thee O Kennedy High

FIGHT SONG

We're the Cougars, fighting to the end
We're the only team that never will surrend
We will always say, "Oh team fight on"
Courageous Cougars, Victorious and Strong —
Green and Gold, Oh, We will always win
In the darkest hour we shine
Oh Kennedy, Yes we'll always sing to thee
So come on and Cougars FIGHT! FIGHT! FIGHT!
We're the Cougars
Yes the COUGARS
So let the whole world know
We're Green and Gold
